How is your Inside Weather?

Are you feeling sunny, rainy - maybe stormy?

Imagine your feelings as weather and draw what it's like to be you!

My Inside Weather is...

Find a Weather Buddy!

Pick a member of your family or a friend. Ask them about their Inside Weather - are they feeling sunny or rainy, foggy or tornado-ey?

Then you can draw what this moment feels like for your Weather Buddy!

My Weather Buddy's Weather is...

our family weather

Everyone in your home can draw their weather.
If you have pets, YOU can check how they feel and draw their weather.

my weather today

You can notice your weather for an entire day and draw all the different weathers that you felt.
